★ ★ Medio

★ ★ ★ Difícil

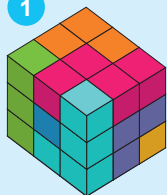

**Objetivo del juego:** armar el cubo utilizando todas las piezas

**Desarrollo del juego:** Se colocan las 7 piezas del cubo y la base sobre la mesa y las cartas de desafíos a su lado. Se retira una carta de desafío y se colocan las piezas obligatorias sobre la base como se indica en la carta. Luego, se intenta ensamblar las piezas restantes para obtener un cubo perfecto. ¡Para cada desafío, solo hay una combinación posible!
